Duty Of Disclosure

Your Duty of Disclosure

Before you enter into a life insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you extend, vary or reinstate the contract.

You do not need to tell us anything that:

- ▶ reduces the risk we insure you for; or
- ▶ is common knowledge; or
- ▶ we know or should know as an insurer; or
- ▶ we waive your duty to tell us about.

If you do not tell us something

In exercising the following rights, we may consider whether different types of cover can constitute separate contracts of life insurance. If they do, we may apply the following rights separately to each type of cover.

If you do not tell us anything you are required to, and we would not have insured you if you had told us, we may avoid the contract within 3 years of entering into it.

If we choose not to avoid the contract, we may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told us everything you should have. However, if the contract has a surrender value, or provides cover on death, we may only exercise this right within 3 years of entering into the contract.

If we choose not to avoid the contract or reduce the amount you have been insured for, we may, at any time vary the contract in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right does not apply if the contract has a surrender value or provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

- ▶ various factors which may affect the premium rating for the Life Insured at the time of insurance application such as gender, smoking status, state of health and occupation.

You can apply for and purchase Budget Direct Express Life Cover at www.budgetdirect.com.au/life-insurance or contact Customer Services on **1800 555 048**.

4. How much Budget Direct Express Life Cover can you apply for?

5. When will the Budget Direct Express Life Cover benefit be paid?

While assessing your claim, we may advance \$10,000 of the Budget Direct Express Life Cover Benefit Amount to assist with funeral costs and other expenses without waiting for full claim proofs for a death that is not the result of a self-inflicted injury. 7. Do limits apply to Budget Direct Express Life Cover?

The total benefits payable for the Life Insured under the Policy cannot exceed:

- ▶ the maximum Benefit Amount for Budget Direct Express Life Cover at the Commencement Date, plus
- ▶ any automatic inflation protection increases under the Policy.

If the Life Insured is covered under more than one Budget Direct Express Life Cover Policy, we will apply this limit to the total of the Budget Direct Express Life Cover Benefit Amounts payable for the Life Insured under all Budget Direct Express Life Cover Policies. Any required reduction in the Express Life Cover Benefit Amount will be applied to the Budget Direct Express Life Cover most recently commenced and we will refund the premiums paid on the amount that exceeded the maximum limit.

Only one Budget Direct Express Life Cover Benefit Amount is payable in respect of the Life Insured. The Budget Direct Express Life Cover Benefit Amount will be reduced by the amount of any advance funeral benefit payment of the Budget Direct Express Life Cover Benefit Amount.

A Benefit Amount paid under a Budget Direct Express Life Cover Policy is made in addition to any Budget Direct Accidental Death Insurance Benefit Amount payable under your Budget Direct Accidental Death Insurance Policy (if applicable).

8. Do exclusions apply to Budget Direct Express Life Cover?

We will not pay a Budget Direct Express Life Cover Benefit Amount in respect of the Life Insured, if the Life Insured dies, or has a Terminal Illness, directly or indirectly as a result of a self-inflicted injury, within 13 months of:

- ▶ the Commencement Date; or
- ▶ the date that any non-automatic increase in cover starts (but only in respect of the increase); or
- ▶ where we have agreed to reinstate the Policy after it was cancelled, the date on which we reinstate the Policy (reinstatement date).

We will not pay any Express Life Cover Benefit Amounts where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such Policy term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

9. When does Budget Direct Express Life Cover start and end?

Cover under Budget Direct Express Life Cover does not start until your application is accepted. If successful, we will send you a Policy Schedule setting out the Commencement Date when cover starts for the Life Insured. Budget Direct Express Life Cover ends for the Life Insured when the first of the following occurs:

- ▶ the date of payment of a death or Terminal Illness claim for the Life Insured; or
- ▶ the date we cancel the Policy (where permitted by law); or
- ▶ the date the Life Insured ceases to reside in Australia (if on a temporary work visa); or
- ▶ the Policy Anniversary after the Life Insured's 100th birthday.

10. What is included in Budget Direct Express Life Cover?

- ▶ the Payment Schedule (which outlines your selected premium payment frequency and method).

You should keep your Budget Direct Express Life Cover Policy and Policy Schedule in a safe place, as you will need to produce these in the event of a claim being lodged for the Life Insured. Budget Direct Express Life Cover is written out of the Hannover Australian statutory fund.

Budget Direct Life Insurance - Life Cover

1. What benefit is provided by Budget Direct Life Cover?

Budget Direct Life Cover is available on a stand-alone basis and provides a lump sum benefit should the Life Insured under the Policy die or be diagnosed with a Terminal Illness that results in a life expectancy of less than 12 months. You may take out Budget Direct Life Cover without purchasing any of the other covers outlined in this PDS. You may also take Budget Direct Life Cover in addition to Budget Direct Accidental Death Insurance.

When you take out Budget Direct Life Cover, you can also apply for Budget Direct Total & Permanent Disability (TPD) Cover, Budget Direct Trauma Cover, Budget Direct Trauma Plus Cover, and Budget Direct Children's Cover.

2. Are you eligible to apply for Budget Direct Life Cover?

You must be an Australian Resident, aged between 18 and 64 years of age (next birthday) at the time of application. We reserve the right to accept or decline applications for Budget Direct Life Cover in our absolute discretion.

3. How much does Budget Direct Life Cover cost?

Premiums are calculated at each Policy Anniversary and are based on:

- ▶ the age of the Life Insured at that time;
- ▶ the Life Benefit Amount provided for the Life Insured; and
- ▶ various factors which may affect the premium rating for the Life Insured at the time of insurance application such as gender, smoking status, state of health, family history, occupation, and participation in hazardous activities.

For a premium estimate you should contact Customer Services on **1800 555 048** or visit www.budgetdirect.com.au/life-insurance

4. How much Budget Direct Life Cover can you apply for?

The maximum Life Cover Benefit Amount (including Budget Direct Express Life Cover Benefit Amount, if any) you can apply for in relation to the Life Insured under the Policy depends on the Life Insured's age at the Commencement Date:

Age (next birthday) at Commencement Date	Maximum Benefit Amount (including Budget Direct Express Life Cover Benefit Amount, if any)
18 – 44	\$1,000,000
45 – 54	\$750,000
55 – 59	\$500,000
60 – 64	\$300,000

If you apply to increase the Life Cover Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum Life Cover Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

5. When will the Budget Direct Life Cover benefit be paid?

We will pay the Budget Direct Life Cover Benefit Amount as a lump sum if the Life Insured suffers an insured event, namely death or Terminal Illness, while covered under the Policy except in the circumstances explained in "Do exclusions apply to Budget Direct Life Cover?" in point 8 following.

6. What is the advanced funeral benefit?

While assessing your claim, we may advance \$10,000 of the Budget Direct Life Cover Benefit Amount to assist with funeral costs and other expenses without waiting for full claim proofs for a death that is not the result of a self-inflicted injury. However, we must have satisfactory evidence of the Life Insured's age and death.

7. Do limits apply to Budget Direct Life Cover?

The total benefits payable for the Life Insured under the Policy cannot exceed:

- ▶ the maximum Benefit Amount for Budget Direct Life Cover (including any Budget Direct Express Life Cover, if applicable) for the Life Insured's age at the Commencement Date, plus
- ▶ any automatic inflation protection increases under the Policy.

If you apply to increase the Life Cover Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum Life Cover Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

If the Life Insured is covered under more than one Budget Direct Life Insurance Policy for Budget Direct Life Cover (including Budget Direct Express Life Cover, if applicable), we will apply this limit to the total of the Benefit Amounts payable for the Life Insured under all Budget Direct Life Insurance and Budget Direct Express Life Cover Policies. Any reduction in the Benefit Amount will be applied to the Policy most recently commenced and we will refund the premiums paid on the amount that exceeded the maximum limit.

Only one Budget Direct Life Cover Benefit Amount is payable in respect of the Life Insured.

The Budget Direct Life Cover Benefit Amount will be reduced by the amount of any advance funeral benefit payment of the Budget Direct Life Cover Benefit Amount.

The Budget Direct Life Cover Benefit Amount will also be reduced by the amount of any Budget Direct Total & Permanent Disability (TPD) Cover, Budget Direct Trauma Cover or Budget Direct Trauma Plus Cover Benefit Amounts paid in respect of that Life Insured.

A Benefit Amount paid under a Budget Direct Life Insurance Policy is made in addition to any Budget Direct Accidental Death Insurance Benefit Amount payable under your Budget Direct Accidental Death Insurance Policy (if applicable).

8. Do exclusions apply to Budget Direct Life Cover?

We will not pay a Budget Direct Life Cover Benefit Amount in respect of the Life Insured, if the Life Insured dies, or has a Terminal Illness, directly or indirectly as a result of a self-inflicted injury, within 13 months of:

- ▶ the Commencement Date; or
- ▶ the date that any non-automatic increase in cover starts (but only in respect of the increase); or
- ▶ where we have agreed to reinstate the Policy after it was cancelled, the date on which we reinstate the Policy (reinstatement date).

We will not pay any Life Cover Benefit Amounts where we have agreed a special term with you in respect of your cover that specifically excludes the event or condition leading to the claim. Any such Policy term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

9. When does Budget Direct Life Cover start and end?

Cover under Budget Direct Life Cover does not start until your application is accepted. If successful, we will send you a Policy Schedule setting out the Commencement Date when cover starts for the Life Insured. While your application is being processed we will provide interim Accidental Death cover at no extra cost (as explained below). Your duty of disclosure (see Duty Of Disclosure on page 5) continues to apply while we assess your application. We guarantee to renew your Budget Direct Life Cover (provided you pay your premiums when due) until it ends.

Budget Direct Life Cover ends for the Life Insured when the first of the following occurs:

- ▶ the date of payment of a death or Terminal Illness claim for the Life Insured; or
- ▶ the date the Budget Direct Life Cover Benefit Amount is reduced to nil as a result of payment(s) of a TPD, Trauma or Trauma Plus claim for the Life Insured; or
- ▶ the date you cancel the Policy; or
- ▶ the date we cancel the Policy (where permitted by law); or

Budget Direct TPD Cover provides a lump sum benefit should the Life Insured under the policy suffer Total and Permanent Disability while covered under the Policy and meet the assessment criteria.

Total and Permanent Disability (TPD) means as a result of sickness or injury, the Life Insured:

- ▶ suffers Loss of Use of Limbs and / or Sight; or

Please see the Definitions on page 35 for details of these specific conditions.

The Total and Permanent Disability must be certified by a Medical Practitioner approved by us and supported with the necessary test results to confirm the diagnosis.

2. Are you eligible to apply for Budget Direct TPD Cover?

You must be an Australian Resident, aged between 18 and 59 years of age (next birthday) at the time of application.

We reserve the right to accept or decline applications for Budget Direct TPD Cover in our absolute discretion.

Your first premium will be due on the First Premium Date shown in your Policy Schedule.

For a premium estimate you should contact Customer Services on **1800 555 048** or visit www.budgetdirect.com.au/life-insurance

18 – 44	\$1,000,000

55 – 59	\$500,000

The Maximum TPD Benefit Amount cannot exceed the Budget Direct Life Cover Benefit Amount.

5. When will the Budget Direct TPD Cover benefit be paid?

If you apply to increase the TPD Benefit Amount, the Life Insured's current age at the time of the application for the increase will be used to determine the maximum TPD Benefit Amount (rather than the Life Insured's age at the original Commencement Date when the Policy first started).

If the Life Insured is covered under more than one Budget Direct Life Insurance Policy for Budget Direct TPD Cover, we will apply this limit to the total of the TPD Benefit Amounts payable for the Life Insured under all Budget Direct Life Insurance Policies.

Only one Budget Direct TPD Cover Benefit Amount is payable in respect of the Life Insured.

Where a Budget Direct TPD Cover Benefit Amount is paid, we will reduce the Budget Direct Life Cover and any Budget Direct Trauma or Trauma Plus Cover Benefit Amount by the TPD Cover Benefit Amount in respect of that Life Insured.
