Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty of disclosure under the *Insurance Contracts Act 1984* (Cth).

This duty applies to you until we agree to insure you and, where relevant, until we agree to renew, extend, vary or reinstate your insurance contract.

When you first take out your insurance contract

If we ask you questions that are relevant to our decision to insure you and on what terms, then you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

When you renew your insurance with us

On renewal of your policy we may again ask you questions that are relevant to our decision to insure you and on what terms. Again, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

Also, we may give you a copy of anything you have previously told us and ask you to tell us if it has changed. If we do this, you must tell us about any change or tell us that there is no change.

If you do not tell us about a change to something you have previously told us, you will be taken to have told us that there is no change.

When you vary, extend or reinstate your insurance

When you vary, extend or reinstate your contract of insurance your duty of disclosure changes. You then have a duty to tell us anything you know, or could reasonably be expected to know, that may affect our decision to insure you and on what terms. You do not need to tell us anything that:

- ▶ reduces the risk we insure you for, or
- ▶ is common knowledge, or
- ▶ we know or should know as an insurer, or
- ▶ we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

When You Receive the Policy

Make sure the information is correct.

Please check the information you have given us and notify us of any changes or corrections. This is an important part of your Duty of Disclosure.

Cooling-off period

If the cover you have chosen is not suitable and no claim is made, you can cancel this policy within 21 days of the purchase date and receive a full refund of the premium you have paid.

Waiting Period for Bushfire, Storm, Cyclone or Flood

You are not covered under this policy for any loss or damage that is caused by bushfire, storm, named cyclone or flood within the first 72 hours of the purchase of this insurance cover.

However, subject to the policy terms and conditions, we will cover loss or damage that occurs where:

- ▶ this policy commenced immediately following the expiry of a policy that provided the same level of cover for the same car, or
- ▶ this policy commenced on the same day you took possession of the car.

Permitted Use of the Car

You will have no cover if the car is used for purposes which you have not declared to us or which are included in ‘Use that is never covered’ below. The permitted use, which you have selected from the following categories, is shown on your Insurance Certificate.

Private Use or Private and Commuting Use is use for social, domestic and pleasure purposes as well as travelling between home and a regular place of work only.

Private and Occasional Business Use is “Private and Commuting Use” above, and also includes occasional business use by the regular driver or their spouse only. Occasional business use means the car is not registered for business use and does not form an essential part of earning an income.

Private and Business Use is “Private and Commuting Use” above and also includes use for your business or occupation or the business or occupation of the regular driver or their spouse. You must provide us with the full details of all intended drivers that will use the car for business purposes for them to be covered.

Use that is never covered:

- ▶ carrying passengers for payment, including taxis and/or ridesharing (e.g. Uber)
- ▶ carrying or delivering other people’s goods for payment, whether as a contractor or otherwise (e.g. parcel, food delivery)
- ▶ driving tuition for payment
- ▶ unpaid driving tuition of a person who is:
 - ▶ excluded on the Insurance Certificate by name or age, or
 - ▶ a household member that is not listed on the Insurance Certificate
- ▶ hiring the car to other people.

Use that is always covered:

- ▶ Private car sharing and voluntary home or community service, provided that no profit is made from such use.

Types of Cover

Your Insurance Certificate shows which of these types of cover you have:

Comprehensive covers your liability for damage caused by the car to other people's property, plus cover for the car up to the value shown on your Insurance Certificate.

Third Party Property Only covers only your liability for damage caused by the car to other people's property, plus a limited amount of cover for the car if damaged in a no fault accident with an uninsured vehicle.

Third Party Property, Fire and Theft covers the same as "Third Party Property Only", plus loss or damage to the car only if it is stolen or catches fire. It does not cover damage caused by the attempted theft of the car or items being stolen from it.

Cover Part 1 – Cover for the Car

This section applies only if the type of cover shown on your Insurance Certificate is "Comprehensive".

Damage to the Car – If the car is accidentally damaged, we will pay up to the maximum amount shown on your Insurance Certificate. We will also pay the reasonable cost of:

- ▶ recovery of the car,
- ▶ towing the car to the repairer or place of storage nearest to where the accident occurred or that we recommend or nominate, and
- ▶ storage of the car, if it was unsafe to drive as a result of the damage.

Accidental damage includes, but is not limited to, damage caused by:

- ▶ Storm
- ▶ Flood
- ▶ Hail
- ▶ Fire
- ▶ Collision
- ▶ Attempted theft or malicious act.

Personal Effects – In the event of a collision involving the car, we will pay up to the amount shown in PDS Part B for damage to personal effects which were in the car at the time of the collision.

Replacement Keys – If the remote locking device, proximity key or keys belonging to the car are stolen and not recovered, we will pay up to the maximum amount shown in PDS Part B to replace them and recode the locks. We will only pay if you have reported the theft to the police.

Trailer – In the event of a collision where the car is towing a trailer that belongs to you, we will pay for the damage to the trailer up to a maximum of the amount shown in PDS Part B, but we will not cover the trailer's contents.

Emergency Transport and Accommodation – If we pay a claim for damage to the car, we will also pay for the driver and occupants to be transported to the address where the car is normally kept at night or, where transport is unavailable, we will pay for the cost of their temporary accommodation. The maximum cover under this section is the amount shown in PDS Part B.

Hire Car Following a No Fault Accident – If we agree to pay your claim for a no fault accident, we will arrange for a compact hire car for you to use until the car is repaired, your claim is paid, or for a maximum period of 14 days, whichever occurs first ("hire period").

Where the car is safe to drive, the hire car will only become available from the date the authorised repairs are due to commence or the date we assess the car to be a total loss.

This benefit is subject to availability of a hire car and covers the daily cost of a compact hire car during the hire period. We will only pay costs for a hire car arranged and authorised by us. We will not pay any additional costs of hiring, including but not limited to fuel, insurance or damage to the hire car. You need to agree to the hire car company hiring conditions (including paying a rental bond, insurance and any excess if you damage the car) and collect and return the hire car.

If we receive additional information regarding the accident that results in us deciding that the driver of the car was partially or entirely at fault, we will not pay for the hire car under this benefit from that date the information is received.

This policy benefit does not provide you with a hire car following:

- ▶ an at fault claim – you need to have taken the 'Accident Hire Car' option for a hire car following this type of claim, or
- ▶ theft – the 'Hire Car Following Theft' policy benefit provides reimbursement for a hire car following this type of claim.

New Car Replacement – If you purchased the car new or as a demonstrator model and it becomes a total loss within the period shown in PDS Part B, we will replace it with a new one of the same make, model and specification and we will also pay the first 12 months cost of registration and compulsory third party insurance. If a new replacement car is not available in Australia, we will pay you either the market value or the agreed value of the car as shown on the Insurance Certificate.

This benefit does not apply if the car had any unrepaired accident or hail damage which occurred prior to you insuring the car with us.

Cover Part 2 – Damage to Other People’s Property

This section applies to all types of cover.

We will:

- ▶ cover your legal liability for accidental damage to someone else’s property caused by use of the car, substitute car or a trailer or caravan attached to it. The maximum we will pay for the total of all liability claims against us arising from one event is \$20 million.
- ▶ extend this cover to:
 - ▶ other licensed drivers permitted by this policy and using the car with your consent, and
 - ▶ any passenger in the car.
- ▶ also pay for legal costs if we agree to pay your liability claim and we instruct our lawyers to act in connection with the claim.

We will not:

- ▶ pay for damage to property owned by or in the control of you or the driver, or anyone that normally lives with you or the driver
- ▶ pay for any claim for, or related to, death or bodily injury
- ▶ pay for any loss or damage to a substitute car
- ▶ pay any fines, punitive, exemplary or aggravated damages awarded against you or the driver
- ▶ pay for any liability arising from a failure to notify us of any third party demand
- ▶ pay for any liability caused by the use of a substitute car covered by another insurance policy
- ▶ pay for any liability that is insurable under a compulsory statutory scheme and regardless of the amount recoverable under it.

Cover Part 3 – Fire and Theft Cover For the Car

This section applies only if the type of cover shown on your Insurance Certificate is “Comprehensive” or “Third Party Property, Fire and Theft”.

Loss or Damage to the Car

If the car is stolen or catches fire, we will pay up to the maximum amount shown on your Insurance Certificate. We will also pay the reasonable cost of recovery, towing and storage of the car if it was unsafe to drive as a result of the damage.

Hire Car Following Theft

If we agree to pay your claim for the theft of the car, we will reimburse you the reasonable cost of hiring a similar car from the date you lodge a claim with us:

- ▶ until the car is recovered undamaged or any necessary repairs have been completed,
- ▶ until your claim is paid, or
- ▶ up to a maximum period of 14 days,

whichever occurs first (“hire period”).

This benefit covers the daily cost of a similar hire car during the hire period. The maximum payable under this benefit is the amount shown in PDS Part B. We will only pay costs for a hire car authorised by us. We will not pay any additional costs of hiring, including but not limited to fuel, insurance or damage to the hire car. You need to agree to the hire car company hiring conditions (including paying a rental bond, insurance and any excess if you damage the car) and collect and return the hire car.

Cover Part 4 – Uninsured Motorist Damage

This section applies only if the type of cover shown on your Insurance Certificate is “Third Party Property Only” or “Third Party Property, Fire and Theft”.

If the car is involved in a no fault accident with an uninsured vehicle, we will cover your damage up to \$5,000 or the market value of the car, whichever is the lesser.

We will only pay this if you have reported the accident to the police and provide evidence that the other vehicle is uninsured.

We will not provide this cover if the other vehicle is owned or registered in your name, or in the name of any relative or person who lives with you.

General Exclusions

Changing the Policy

Change of insurance details during a policy term

You must tell us immediately:

- ▶ if there is any change to the car, drivers, use of the car, ownership, or the place where the car is normally kept, and
- ▶ if you become aware of any incorrect details on your policy documents.

You must tell us before making any modification to the car and obtain our written agreement.

If your details do change, the premium, excess and terms and conditions of the policy may also change or we may no longer be able to insure you.

If you do not tell us, we may reduce or refuse to pay a claim or cancel the policy.

If you replace the car with another

When you permanently replace the car with a similar one, cover for the previous car ends at the same time. Your replacement car automatically has the same cover as this policy for 14 days from the purchase date, but not exceeding the market value or the purchase price, whichever is lower.

Renewing the Policy

To ensure continuing protection we will normally send you a renewal offer at least 14 days before the renewal date of this policy. It will show the premium and excess for the new period, a record of what you have told us previously and may also include notice of any changes to the terms and conditions of this policy.

Check that your information is correct

When you receive a renewal offer, you must:

- ▶ check all the information and tell us if any details need to be changed or added. For example, please review listed and excluded drivers and tell us about any new household members or other drivers you want included, and
- ▶ review the disclosed claims, use of the car, driving offences, licence suspensions and convictions and tell us of all changes, and

then tell us if any of the information contained in the renewal offer is incorrect or incomplete.

If your details do change, the premium, excess and terms and conditions of the policy may also change or we may no longer be able to insure you.

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed. This is an important part of your [Duty of Disclosure](#).

Automatic payment arrangement / automatic renewal

If you wish to take up our offer of renewal, and your information is correct, you will not have to do anything else, and we will deduct / charge the renewal premium from your nominated account / credit card, unless you have opted out of the automatic payment arrangement.

If you do not wish to take up the offer you must contact us before the renewal date to advise us, unless you have opted out of the automatic payment arrangement.

Your payment details

Please check that your nominated account / credit card details shown on the renewal offer are correct.

If you have opted out of the automatic payment arrangement

If you have opted out of the automatic payment arrangement, and you wish to take up our offer of renewal, you must accept our offer of renewal on or by the renewal date. If you do not, you will have no cover from the renewal date.

If you contact us after the renewal date, we may issue you with a new policy commencing on or after the date you contact us. The premium, excess and terms and conditions of the new policy may change from the renewal offer or we may no longer be able to insure you.

If we do not offer renewal

If we do not offer to renew your policy, we will send you a notice of expiry.

Cancelling the Policy

By you – You may cancel the policy at any time. If you cancel this policy within 21 days of the purchase or renewal date and no claim is made (“cooling-off period”) you will receive a full refund of the premium you have paid.

If you cancel outside the cooling-off period and no claim is made and you have paid an annual premium, we will refund any premium you have paid for the unused portion of your policy, less the early cancellation fee (as shown in PDS Part B) and less any government taxes and charges. If you paid your premium by instalments, there is no refund of any part of an instalment you have paid.

By us – We can only cancel your policy when it is permitted by law, e.g. if you do not perform your obligations under the agreement. In such instances, we will refund what is left of the premium you paid, and we will send you written notice of the cancellation to the address last known to us.

If the car is a total loss, cover under this policy ceases and there is no refund of any premium paid.

Joint Policyholders

If more than one insured are named as the joint policyholders, each gives authority to the other to amend or cancel this policy. We may treat any change requested by one of the joint policyholders as coming from all joint policyholders.

The Cost of Insurance

The price we quote for insurance is at our sole and unrestricted discretion. It will be based on the profile of the risk to be covered and any other factors we may choose.

Risk Factors that may affect your premium

Other than the type of cover you select, there are many factors that may affect your risk profile and as a result, determine the price you pay for insurance.

When determining the premium you pay, we consider:

- ▶ the type of cover you select,
- ▶ the risk factors that apply to you,
- ▶ your No Claim Discount,
- ▶ policy options you have selected,
- ▶ your excess(es),
- ▶ any discounts that apply,
- ▶ intermediary commissions, and
- ▶ government charges, taxes or levies.

Minimum premiums may apply.

Although your risk profile, and associated factors, may not change from year to year, it is likely that the renewal price of your insurance will increase or decrease.

For more information about how we determine the premium you pay, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

Paying annually or by Instalment

You can pay annually or by instalments. If you choose to pay by instalments the total premium may be higher, and fees will apply. We will tell you both the total annual and instalment amounts, so you will know the difference. Payment details and due dates will be advised to you. The total payable includes government charges.

For more information about paying annually or by instalment, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

If you do not pay for the policy:

- ▶ If an instalment is overdue by 14 days or more, we can refuse to pay a claim.
- ▶ If an instalment is overdue by at least one month, the policy is cancelled automatically without notice to you.

Making a Claim

How we may settle your claim

If you make a claim with us, we may settle your claim by:

- ▶ repairing the car – see ‘Repairs to the Car’
- ▶ paying you the reasonable cost of repairing the car – we may decide not to authorise the repairs to the car but instead, pay you the reasonable cost of satisfactory repairs as determined by us
- ▶ paying your claim as a total loss – see ‘Total loss of the car’
- ▶ choosing the method of settlement and repairer or supplier for other applicable policy benefits and pay up to the specified limit for a particular benefit.

Recovery, relocation, towing and storage of the car

When you make a claim with us, you authorise us to recover, relocate, tow and store the car. We will pay for the reasonable cost to tow the car between locations to assist with the inspection, repair and settlement of your claim.

We will not pay for any costs associated with the storage of the car before you make a claim with us or after your claim has been paid.

Excess payable on claims

- ▶ Payment of an excess helps to reduce the number of small claims and keep down your insurance premiums.
- ▶ An excess is the first amount you must contribute towards the cost of each incident which is the subject of a claim, except when an excess is waived (see below).
- ▶ The total excess you may have to contribute to a claim is the sum of the Basic Excess and all of the Additional Excesses which apply and are shown in PDS Part B and on your Insurance Certificate.
- ▶ We will tell you when and how to pay us the total excess.

Excess waived

You do not have to pay any excess if the car is involved in a no fault accident with another vehicle.

For more information about excesses applicable to your policy, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

No Claim Discount (NCD) after a claim

If you make one or more at fault claims, on renewal your NCD will reduce two levels for each claim and the cost of your insurance will increase accordingly.

Your NCD will not reduce on renewal if you make a claim for:

- ▶ window glass only,
- ▶ an accident that is a no fault accident, or
- ▶ damage caused directly by storm, wind or hail.

Different terms apply if 'NCD Protection' is shown as included on your Insurance Certificate (see PDS Part B).

For more information about NCD, please refer to our Premium, Excess and Discount Guide which is available on our website or by calling us.

Goods and Services Tax (GST)

If you are registered for GST and therefore were entitled to claim an input tax credit (ITC) on your premium, then this ITC entitlement needs to be provided to us each time you make a claim. A full GST entitlement would be a 100% ITC entitlement. If you give us incorrect GST information, we will not be responsible for the GST liability you might incur.

A claim payment made for a total loss will be reduced by GST to the extent of your ITC entitlement, if applicable. Other claim payments may also have your ITC entitlement taken into account.

Any claim payment made where GST is deducted as described above, will be considered to be made in full.

Repairs to the Car

For your convenience, if we decide to authorise repairs to the car, we may:

- ▶ appoint a repairer from our repair network to conduct the repairs,
- ▶ determine the most suitable method of repairs based on the damage to the car, and
- ▶ manage the entire process on your behalf.

Choice of Repairer

You may choose to nominate your preferred repairer if the 'Choice of Repairer' option is shown as included on your Insurance Certificate. See PDS Part B for details.

Authorising repairs

- ▶ We will only pay for repairs authorised by us. You, or any other person, must not carry out repairs to the car without our written authorisation, except for essential repairs of up to \$500 to allow the car to be driven immediately after an accident.
- ▶ You must allow us to inspect the car at a location nominated by us before repairs are undertaken or the damaged car is sold.
- ▶ You must allow us to arrange for the car to be relocated or towed to a repairer or location nominated by us.
- ▶ You must not give anyone else an interest in this policy including assigning the rights to repair the car to another party without our written agreement.

If you do not comply with these obligations, we may reduce or refuse to pay your claim.

Parts used to repair the car

- ▶ When repairing the car we may use new, recycled or aftermarket parts that meet the requirements of Australian Design Rules and which are consistent with the car's age and condition, and otherwise do not affect the safety, structural integrity or utility of the car. If a part is unobtainable, we may pay you the manufacturer's last known list price instead.
- ▶ Our duty is to return the car to the condition it was in immediately before the damage occurred. We do not replace, repair or repaint undamaged areas of the car to create a uniform appearance, e.g. we will not pay to paint adjacent panels or other parts not damaged as a result of the incident or replace all four wheels if only one is damaged. If we do agree to additional repairs, painting or parts which improve the condition of the car, you may have to pay for the cost of the improvement.

Damaged identification plate or label

If the car is fitted with an identification plate or label, such as a VIN plate, and it is damaged as a result of an accident that we agree to cover you for, we will source a replacement from the car's manufacturer. If we are unable to source a replacement, we will attempt to obtain written confirmation of the car's identity from the manufacturer and repair the car without replacing the identification plate or label.

Repair guarantee

We will guarantee the quality of repairs authorised by us for as long as you own the car. To be eligible for this guarantee:

- ▶ you, or any other person, must not carry out repairs to the car without our written authorisation
- ▶ you must allow us to inspect the car at a location nominated by us before any repairs are undertaken
- ▶ you must not give anyone else an interest in this policy including assigning the rights to repair the car to another party without our written agreement.

Total loss of the car

If the car is a total loss and we replace it or pay the amount you insured it for:

- ▶ we will deduct the excess from the total loss settlement we pay you or, if we request it, you must pay the excess to us
- ▶ you must pay any remaining premium for the full period of insurance if you pay your premium by instalments, or we may deduct it from the total loss settlement we pay you
- ▶ the car becomes our property and we keep the proceeds of any salvage sale and balance of registration available
- ▶ cover under this policy ceases and there is no refund of the premium paid.

It is always our intention to provide you with the best possible service. However, if you have any cause for complaint, you should:

Step 1 - Contact the appropriate department manager at our agent's address or telephone number shown on your Insurance Certificate.

Step 2 - If the matter is not resolved to your satisfaction within 14 days, please contact the Dispute Resolution Manager.

Financial Claims Scheme

The Financial Claims Scheme (FCS) provides protection to certain claimants who make valid claims under 'protected policies' in a situation where the insurer is insolvent.

A person entitled to claim under this policy may be entitled to payment under the FCS in the unlikely event that we become insolvent. However, access to the FCS is subject to eligibility criteria.

You can obtain information about the FCS from the APRA website at www.apra.gov.au and the APRA hotline on 1300 55 88 49.
